

7/24/08

Progressive Dental proudly announces that it was voted #3 in the 2008 Reader's Choice Awards presented by the Press & Sun Bulletin. This award demonstrated our patient's recognition of our efforts to constantly learn new technologies, materials, and expand the scope of our services to provide the latest advancements in oral health.

We would like to thank all readers who supported with this process and look forward to sustaining our commitment of providing quality care and building a better community.
