

December 8, 2008

(Endwell, NY) Progressive Dental Announces Cavity Free Kids winners of B-SENS jerseys. As part of our promotional activities with the Binghamton Senators new program to encourage children in the Binghamton area to practice good dental hygiene, we have completed a drawing for Jerseys to be given away to two patients from each office who had a perfect checkup during the months of October and November.

Progressive Dental is proud to have participated in this first annual event.

Please join us in congratulating our winners!
